RE: APPLICATION FOR TAA MEMBERSHIP

TENNESSEE AUTOMOTIVE ASSOCIATION (TAA) is one of the most active and effective business associations in the state of Tennessee. Our membership represents franchised car and truck dealers as well as independent dealers, banks, finance companies and other firms whose products are closely related to the industry.

TAA employs a full-time president who watches over the interests of the membership at all times, with particular attention to legislative matters.

As a member of TAA, you will receive our *TAA Bulletin* that is widely recognized as one of the best in the country. During sessions of the Tennessee General Assembly, you will also receive special legislative issues of that publication.

Membership in TAA entitles you to participate in our group insurance plan. Coverages offered through American Fidelity Assurance include life, disability income and cancer. We also endorse Federated Mutual for property and casualty insurance.

Annual dues for associate or finance membership are \$500.00. After you experience first-hand the many benefits of TAA, I am confident you will be glad you joined.

Please complete this form and return it along with your check in the amount of \$500.00 for first year dues to TAA Headquarters. The address is on the letterhead above.
